Experience some of the best that Western Canada has to offer on this Self-guided 8-day tour of the mountains, of Central Alberta & British Columbia in Western Canada. This tour gives you a close-up view of beautiful scenery ranging from rolling prairie to rugged mountains. Imagine riding through the rugged Canadian Rockies, rolling foothills, endless northern forests, while enjoying great roads ranging from gentle sweeping corners to twisty sections intermixed with fantastic scenery.

Beginning & ending in Calgary AB, you will ride through the rolling foothills & prairies of the Central / Northern Alberta; home to many large cattle ranchers and wide-open prairie vistas. The roads in AB & BC are in good condition with light traffic outside of the cities. Other than road repairs you will not be required to ride on any unsealed roads.

- Due to winding roads, low km. days in Western Canada can still be long.

This tour is suitable for Intermediate or Advanced riders only. Tight corners with high elevations require close attention to detail. Note: Canada drivers, drive on the right-hand side of the road.

This exciting tour includes 7 nights' accommodation ranging from modest cabins to deluxe quality hotels.
