When we hear Vietnam, the war with the US always comes to mind, but this country is much more than that ... These types of countries stand out for their people, their culture, their landscapes and way of life. In order to enjoy it in a different way, we propose it to you on two wheels. When you go on a motorcycle all the sensations multiply: the smiles and the looks of the people, the smells, the colors, the wind, the towns ... at that moment is when you really feel that you are living and interacting closely with the environment, and if there is a perfect country to have this experience that is Vietnam. Do not miss it, come with us to discover this incredible country on a classic 650 cc motorcycle
