8 DAYS / 7 NIGHTS / 5 DAYS on a motorcycle

This 8-day Enduro Tour will give you exciting experiences as it combines Enduro tracks with archaeological and historical visits.

For three full days you will enjoy the best trails, riding the latest KTM bikes (2022 models) through tracks, roads, dry and not so dry rivers, while enjoying different terrains and different levels of difficulty.

At the end of each day, we will relax and rest to enjoy the excellent local food.

We will visit the Mycenaean Acropolis of Midea, which is located in the middle of the planned route for the second day of the route, the ancient theater of Epidavros, where we have organized a guided tour to see the archaeological site and we will drive to Mount Taygetos, taking a ride on a amazing forest.

On the fourth day you will have time to rest and recover.

On this route we will visit some of the most picturesque villages in the Peloponnese, explore the ancient castle of Mystras that remained inhabited during the Ottoman period, learn about the famous Greek hospitality and the diverse cultural life of Western travelers, or simply take the time to enjoy the local cuisine.

After this day of rest we still have two more days of the route, traveling through different terrains, muddy, gravel, rocky, fast or slow, but always exciting, to enjoy the landscape and all its richness in culture and nature.

On the last day of the tour, you can go down to the coast to swim in the beautiful waters of Kardamili.

The Peloponnese offers a wide range of enduro tracks that make the experience unique and we offer you a variety of itineraries for you to enjoy with friends.

In addition to the off-road experience, this tour will combine vacation and adventure with luxury accommodation, cultural diversity and traditions, and of course the richness of Greek gastronomy, providing an unforgettable vacation for all bikers.

You will never forget this experience. Trust us...
