The Standard Tour is perfect for those who want to see the beauty of Bulgaria in only 5 days.

We will ride through forest trails, river creeks, grassy uphill and downhill, meadows, off-road roads. The mountains around our place are high and wide which gives great opportunities for enduro riding!

The package includes transfer from the airport and back, all local transportation costs, 4 nights accommodation room, breakfast, lunch, dinner, mechanic, safety car support, motorcycle professional guides, fuel. First and last day are for transfer and accommodation and the other 3 days are for riding in the enduro tracks.

1 - Sófia - Gabrovo - 260

We flew to Sofia, where they will pick us up from the airport to take us to Gobrovo, where the base with the motorcycles and all the equipment is located, Today we will have a welcome dinner and we will be able to comment on all the details of the route that we are going to do in the coming days. Tomorrow we start with the motorbikes.

2 - Gabrovo - Shipka - 80

We woke up early, and a good breakfast awaits us, once prepared, we went out with the motorcycles, and today we will ride through forest trails, river creeks, grassy uphill and downhill, meadows, off-road roads.

3 - Gabrovo - Uzana Gabrovo - 80

As we did yesterday, today we woke up early, had a strong breakfast and prepared for a great enduro day ... Today a great enduro day awaits us in the mountains of Cerra ... Depending on the level of the group we have several routes of greater or less demanding .. We will stop to eat something at a restaurant in the area and in the afternoon we continue riding our motorcycles for a couple of hours more ... About 17 or 18 our arrival at the hotel is scheduled where we can relax and have a few beers while we discuss what happened today.

4 - Gabrovo - Gabrovo - 120

The good thing ends, today is our last day of motorcycle, and like the previous days, after a good breakfast, we went out with the motorcycles to ride in the Gobrovo area, prepare to get dirty and sweat a little, since we have left the best traks for this last day. After lunch we return to the hotel, where a good shower and a farewell dinner await us.

5 - Gabrovo - Sófia - 260

Today, depending on what time the flight back home leaves, we will be taken to Sofia airport, which is 260 km away ... We recommend looking for flights in the afternoon in order to get to the airport in time.
